

Applications:

Transportation of wide range of fluids and gases in low pressure.

Properties:

Flexible PVC tubing
 High clarity tubing
 Wide range of metric or imperial sizes
 Material approved for food contact according to European standard
 UV- protections added
 DOP Free

Standard Color:

Transparent

Temperatures Range:

-10°C < Temp <60°C

Standard:

Tolerance: ISO 1307
 RoHS, Reach Standard
 EC food contact (EU) 10/2011 ,/ 174/2015

Code	I.D.	O.D.	Meter weight	Roll Length
