

Applications:

Suitable for compressors, air tools, automated machinery etc.

Properties:

Highly abrasion resistant.
Oil resistant
3 layers
Excellent durability to weather conditions and most chemicals

Standart Colors:

Red and Blue

Materials:

Flexible PVC hose reinforced with polyester yarns
UV- protections added
DOP Free

Temperatures Range:

-10°C < Temp <60°C

Standard:

Tolerance: ISO 1307
ISO EN IS 5774
RoHS, Reach Standard
